Terry,

Thank you for the time today and helping to make the adjustments to the deployment plan:

https://planner.flocksafety.com/public/d67836cc-b85d-4204-ac2b-0d1624e7266f

I am submitting this for review to my team to evaluate angles, solar, LTE carrier, and overall positioning. If they have comments that require changes I will let you know.

Here is some technical information about our cameras and solar panels for your public works department.

Best Regards,

Jesse Mund
